

SERVING GOD BY PROVIDING SAFE WATER AND COMMUNITY NEEDS IN DEVELOPING COUNTRIES

147,277,500

Gallons of Safe Water FoH distributed by 269 Purifier Systems in 2023

2023 proved to be the most productive year Fountains of Hope has experienced. That is in great part because of the IMPACT you our donors, sponsors, and partners have made to further our mission. We are extremely grateful for the blessings God has poured out worldwide by YOU!

20 PURIFIERS INSTALLED IN 2023

Ensuring access to safe water is a lifeline of compassion, a promise to eradicate suffering, and a shared commitment to bring hope and dignity to those who desperately need it.

Partner with us in 2024 and YOU will have an IMPACT by providing SAFE WATER worldwide! Your contribution is tax-deductible

WALK FOR WATER 2024

This April, we are moving our feet in honor of the women and children in developing countries who must walk six kilometers (approximately 3.5 miles) a day for clean water. Fountains of Hope has partnered with The Maji Project, and others, to fight the Global Water Crisis by hosting several **Walk for Water** community events. All funds raised through these events will go towards the purchase and delivery of FoH Filter Buckets and Fountains of Hope Purifier Systems to the Massai Mara tribal community in rural Tanzania during the FoH trip this summer.

Our fundraising goal is \$16,000 to cover the cost of 2 FoH Water Purifier Systems and 100 or more FoH Filter Buckets. You can help by registering or donating to one of the following events:

Walk/Run for Water 5K - The Maji Project at FSU
