

2024 Impact Report

A MESSAGE FROM OUR FOUNDER

As we entered 2024, we had great momentum from the incredible progress we made in 2023 to build upon. With a clear focus on growth we launched our 4-year Capital Campaign, an opportunity for our supporters to invest in FoH infrastructure, a critical step in expanding our mission's impact in the next three years. We continue to be supported by amazing individuals, teams, and communities who poured their time, energy, and resources into our projects, trips, events, and initiatives. Your commitment to our mission is helping provide safe, clean water to those who need it most, while also shining Christ's light and love into forgotten places around the world. Together, with God's blessings and provisions, we are successfully building a future where access to water is no longer a barrier, but a bridge to opportunity and better health for all.

LIFE- CHANGING OUTCOMES

In 2024, FoH worked domestically, aiding in Hurricane Helene relief in Asheville, North Carolina, and internationally, traveling to 4 countries, Zimbabwe, Uganda, Tanzania, and Kenya providing the opportunity for nearly one hundred individuals to go on mission trips and experience the transformational power of serving others. We installed 10 water purification systems, 2 stations, and distributed 400 water filter buckets. As a result, numerous communities have access to safe water, giving them a water secure future, full of opportunity and hope...

WHAT'S NEXT FOR FOH?

Ensuring access to safe water is a lifeline of compassion, a promise to eradicate suffering, and a shared commitment to bring hope and dignity to those who desperately need it. Partner with us in 2025 and YOU will have an IMPACT by providing SAFE WATER worldwide! (Your contribution is tax-deductible). Visit www.FountainsofHope.org/donate to get started today.

GET INVOLVED

Upcoming Events & Ways To Make A Difference

Fountains of Hope is teaming up with The Maji Project for the second annual Walk for Water 5K at FSU on April 5th

We're fighting the Global Water Crisis by coming together to fund the purchase and delivery of portable water filters and installation of a Fountains of Hope Two-Tank Water Purifier System for Chisumah Primary School in Gweru, Zimbabwe, where the need for safe water is great.

Can't make it to Tallahassee? You can still help support this fundraiser by registering to walk or run the Virtual 5K. [Purchase your ticket here.](#)

You can also support FoH and The Maji Project by [making a donation.](#)

Children at Chisumah Primary School in Gweru are waiting for safe, clean water so they can focus on their education instead of spending hours every day walking miles to collect water. Let's work together to ensure they have direct access to life-saving water, empowering them to learn, grow, and chase their dreams!

Become a Prayer Partner

Throughout the year, our team will be traveling globally to install reliable, sustainable, and life-changing water purification systems for communities in need. Your prayers will be vital as we fundraise, plan, and prepare for these trips. We'd be honored to have your support as we seek God's guidance, protection, and provision every step of the way.

If you'd like to join our prayer group, simply send an email to sarah@fountainsofhope.org, and we'll add you to our list of prayer partners.

Thank you for standing with us in this important mission!

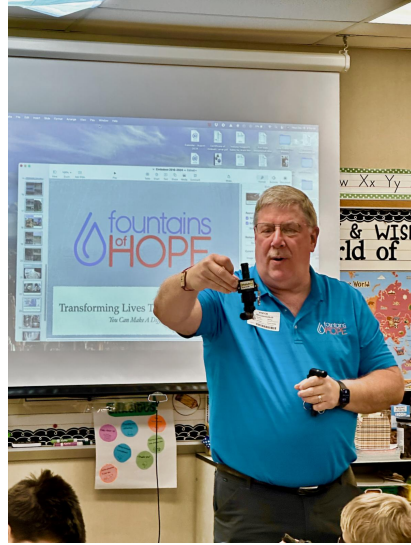

Book a FoH Speaker for Your Group!

Are you looking for an inspiring speaker for your school, church, club, or small group? Fountains of Hope is available to share the transformative power of safe, clean water and how it can change entire communities.

We're passionate about educating people on the importance of water access and highlighting the incredible impact our supporters make every day. When we speak with kids and young adults, we dive into the science of water purification, explore social justice, and encourage them to take action in making a

difference around the world.

Whether it's for VBS week, a youth group, a school club, or a classroom, we'd love to share our mission with your community. To schedule a speaker, reach out to Bill at 317-289-9170 or Bill@FountainsOfHope.org.

HUES OF
BLUE
Gala

2025 Hues of Blue Gala

We're excited to announce that our annual gala will be happening on November 8th, and we want YOU to be part of the magic! Whether you joined us last year, or you're a first-timer eager to be part of something amazing, this year's event is all about raising the funds that fuel our mission to bring safe water to people around the world.

Your presence isn't just about fun (though, don't worry, there will be PLENTY of that) — it's about coming together to create lasting change. From inspiring stories to powerful connections, every dollar raised helps us move closer to our goal of installing 25 purifiers in the next year.

Mark your calendars for the gala, and keep an eye on your inbox for details about more 2025 events soon!

TRIP UPDATES

What We Hope To Accomplish In 2025 With God's Blessing

Ecuador Trip

February 27-March 9, 2025
In partnership with Timmy Global health. Install 1 FoH Water Purifier System.

Romania Trip

May 2025
Install 2 FoH Water Purifier Systems

Zimbabwe Trip #1

May 22 - June 2, 2025
Install 2 FoH Water Purifier Systems at schools in the mountains.

Zimbabwe Trip #2

June 20 - July 1, 2025 - **FULL**
Install 2 FoH Purifier Systems.

Kenya Trip #1

July 17 - July 27, 2025 - **FULL**
Install 2 FoH Water Purifier Systems in Kisumu.

Kenya Trip #2

July 24 - August 4, 2025
Install 2 FoH Water Purifier Systems in Kisumu.

Do you want to travel with Fountains of Hope to deliver safe water and share God's love with people in need?

Join us on a life-changing Mission trip! Call/text Bill at 317-289-9170 for more information. Don't miss your chance to see how God can use YOU to help change the world!
