### **Together we are making a difference**

We are blown away by the love, generosity, and support Fountains of Hope was shown through 2021. The giving of time, talents, and treasures has truly made a difference in so many lives around the world. Each of us did a part that God called us to and because of that, we were able to have a wonderful year filled with love, laughter, and most important of all, an impact on the lives of children and families around the world.

Bill and the FoH Board would like to say thank you to all the sponsors and guests that participated in our 2021 events. Thank you to all our faithful sponsors and generous donors. We are praising God for the generous hearts he has placed on our pathway.

FoH is thrilled to announce that we have already been to Zimbabwe this year and, we have the pleasure of working with Young Life during several of our upcoming 2022 trips. You're welcome to join us on a life changing mission trip. Please visit [fountainsofhope.org](http://fountainsofhope.org) for more information.

### **Welcome to the FoH Team Tara Stanton**

FoH is thrilled to welcome Tara Stanton to the Fountains of Hope team as our new Office Manager.

Tara states, "Bill and Kathy Farrar are such warm and welcoming people. The more I got to know them the more I realized they are the kind of people I want to surround myself with. As I learned about Bill and Kathy's heart and passion to help provide safe water, food, and education for children and families around the world, the more I wanted to be involved. I feel so blessed to be a part of this mission and calling God has placed on their lives. I'm excited to share memories with them as well as all of you! We are so grateful for all the prayers, time, and talents that have been poured into FoH thus far. Please contact me at [tara@fountainsofhope.org](mailto:tara@fountainsofhope.org)."

## CORPORATE SPONSORS
