Carmel, IN 46032

YOU ARE INVITED!

Fountains of Hope will host our annual picnic this weekend, and YOU are invited. We will have a part assembly party; share what Fountains of Hope has been up to and how you can get involved!

Join us on Saturday, July 15th at Bill and Kathy Farrar's home 10409 Holaday Drive, Carmel, Indiana from 4:00 pm to 8:00 pm

Bring a side dish, salad, or dessert to share and your lawn chair
City Barbeque meat and drinks will be provided
We can't wait to see you!

**FOH TRIP UPDATES
Turkey
May 8 - 21, 2023**

Fountains of Hope partnered with the Romanian UBC22 group on an earthquake disaster relief mission trip to Antioch, Turkey, for about two weeks in May. FoH traveled with a team of four and installed a water purifier system near the epicenter and distributed 240 FoH Bucket Filters. We worked with 13 volunteers from Romania and Ukraine, and they were able to fabricate 12 plywood homes to replace the tents people were living in at an IDP (internally displaced person) camp.

Take a minute to watch the Fountains of Hope Turkey Trip 2023 video about our trip on YouTube and join FoH as we partner with our friends on disaster relief trips in the future! You can find out more at FountainsOfHope.org!

Installation of Water Purifier Systems by County Directors

We are excited to share that the extra FoH Purifier Systems we have left in Zimbabwe, Uganda, and Cameroon are getting installed by our country directors!

Fred Senkumba has installed an additional tank to an existing system at Vine Academy and will install a FoH Purifier System at Rock of Ages Primary School in Kampala, Uganda.

Pastor Zulu has installed one Purifier System at Littleton Primary School, Gweru, Zimbabwe serving 700 children!

And the fourth purification system we left in Cameroon earlier this year has made it to the mountains and will soon be installed. The platform for the purifier was recently completed using red stones and cement. The FoH system was presented to the whole school where it will be installed, and they were filled with joy!

Volunteer with our FoH team!

Go on a trip, host a dessert fellowship, invite FoH to talk at your church, small group, club, or business, and sign up for the Kroger Community Rewards program. Questions? Contact Bill at Bill@FountainsofHope.org

A big THANK YOU to the children attending VBS at New Hope Presbyterian Church. They raised \$807.20 towards FoH Filter Buckets and a FoH Water Purifier System going to help the IDPs living in tent cities in Ukraine due to the ongoing war.

Please pray for the placement to those needing these filters the most!

FOH TRIP UPDATES CONTINUED

ZIMBABWE

JUNE 20 - JULY 2, 2023

Our Fountains of Hope Team worked and played hard in Zimbabwe during two weeks in June. One purifier system was installed in Victoria Falls and one in Gweru at a school with 2600 students! We had an incredible time seeing God's breathtaking Victoria Falls and we went on an amazing safari seeing over 30 different animals and birds including four Wild Painted Dogs! Martha Christian, who went on the trip, shared that "the trip was wonderful on many levels: learning to install a water purifier, meeting the beautiful people of Zimbabwe, playing with the school kids and learning from them too, learning unique aspects of the culture and having the great joy of working with a fabulous team." As Martha said, "God works on so many levels on a mission trip, both personal as well as communitywide. This trip was very special in that way." We appreciate everyone who prayed for us on this trip. Our next two trips are to Kenya. If you want to go on a future trip with us, contact us today at FountainsofHope.org

FOH BOARD POSITION OPEN

Fountains of Hope is looking for YOU! We currently have a Board of Directors position open, and we are looking for someone with a heart for serving Christ by using their time and talents to help provide safe water around the world to the most marginalized people.

If you would like to hear more, please contact our Board President, Dick Aderman, at Dick@fountainsofhope.org and/or Executive Director, Bill Farrar at Bill@fountainsofhope.org.

A BIG thank you to the members of Synergize for voting for Fountains of Hope as one of their 2023 causes! We look forward to making a positive difference through your generosity!

Thank you as well to our corporate sponsors below!
