## SEND THE LOVE AND ORCHARD PARK PRESBYTERIAN CHURCH DAY OF CARING

We have been absolutely blown away by the generosity of the **WTHR-TV viewers** during the Send the Love Campaign the first week of August!!

The grand total of donations was well over \$9000!! This money was applied towards two Fountains of Hope Water purifiers that FoH took to Ukraine earlier this month, along with 250 FoH Filter Buckets.

We are so grateful to Scott Swan, and producer Megan Simpson for featuring FoH! Along with the WTHR viewers, they have impacted this world we live in for the better!

And although the campaign is over, you can still partner with us and change the lives of Ukrainians by providing safe water for them!! We plan to take another trip to Ukraine this fall and your dollars will make a difference!

Fountains of Hope and **Orchard Park Presbyterian Church** partnered together for the Orchard Park Presbyterian Day of Caring - a day of global and local mission projects focused on water on Sunday, August 27th.

The church held a parts assembly party for Fountains of Hope and encouraged all those participating to support Fountains of Hope's upcoming trips to Ukraine. We appreciate Orchard Park funding two purifier systems for FoH to install in Ukraine. Thank You!

## HUES OF BLUE GALA COMING SOON

Our Fountains of Hope Hues of Blue Gala is quickly approaching and will take place on Saturday, November 11th. It is an amazing night and our largest fundraiser of the year. Will you consider joining us by signing up to be a Table Sponsor and/or Table Host? YOU or YOUR COMPANY can host 10 of your co-workers, friends, or family members and introduce them to Fountains of Hope. This year, our goal is to have 50 tables at the event! We need YOUR help to make that goal!

Partner with us to transform lives through safe water and community development. Support the movement as a Sponsor or Table Host of our 2023 Hues of Blue Winter Gala. Contact [Angie@FountainsOfHope.org](mailto:Angie@FountainsOfHope.org) to learn more.
